

## The A4/A3 colour MFP that adds value and versatility to the demanding workgroup

The MC861 is the perfect choice for the more demanding workgroup or business with a higher print volume requirement. The large capacity toner cartridges contribute in reducing the total cost of ownership, without compromising on consistent high quality output and all the features and benefits that add value to your business.

This robust and reliable product gives you the versatility of printing, copying, scanning and faxing in rich A4/A3 high definition colour and has impressive print speeds of up to 26ppm for colour and 34ppm for mono.

The ability to print on a variety of media, large and small, means you can now print what you need, when you need it, reducing lead-times and your outsourced print costs, whilst improving efficiency by providing you the ability to print more business and customer documents in-house.

### Features that add value to your business

- Easy to use graphical LCD display with simple navigation of advanced features. Plus one-touch Copy, Scan, Print and Fax buttons
- Scanning to client, email, network PC or USB saves time
- Fax as standard, with the paper saving ability to fax directly from a PC

- Forward incoming faxes to an email account, saving paper and increasing document workflow
- Embedded LDAP provides direct access to contact and email data in an existing directory file
- Job Programs allows users to save time by defining regularly used set-up functions
- Job Interrupt temporarily pauses the print queue, allowing users to copy urgent documents
- Secure Print function encrypts data, allowing confidential documents to remain secure

### Intuitive management and control tools

- Colour Access Policy Manager (CAPM) for controlling and monitoring user access rights
- PrintSuperVision for monitoring, reporting and managing networked printers in real-time
- Print Control allows you to control your print costs and usage
- TWAIN compliance enable integrated scanning within imaging software
- Nuance PaperPort converts hardcopy into digital content
- Nuance OmniPage converts documents into editable electronic files

### Professional document quality every time

- Flexible media handling using up to 4 paper input trays; from A6 to 1200mm banners and card stock up to 200gsm
- Scanning/copying/faxing double-sided documents is quick and simple using the 50-sheet RADF
- Duplex printing as standard
- ProQ2400 multi-level output quality, 1200 x 600dpi print resolution
- Colour Correct and Colour Swatch utilities enhance colour matching and quality to produce professional office documents
- OKI Template Manager makes it easy to create and print a range of useful documents

### Technology that you can rely upon

- Easy to replace 10k colour and 9.5k mono page consumables
- Durable components and robust design
- 3-year warranty as standard
